for in- stance      those shapes in the trees      you'll find      they're just birds      rest - ing

af - ter a long jour-ney      I go up with the milk      the sky hits me

I walk in this wind      to col - lide with them wai - ting

there are two      they halt to laugh      and bellow in the yard      they dig and punch and cackle wherethey stand

they turn to move      look round at me to grin      I turn my eyes from one      and from the other to him
